Executive Summary

Anvil Fence Company is Idaho's oldest and most-trusted Fence and Gate Contractor. As a locally owned and operated business since 1961, we understand the value of quality workmanship and enduring relationships. We use top-quality materials, installed by expert craftsmen—all of whom are full-time employees of our company (in other words, we don't hand your project off to Subcontractors like so many other companies do). Anvil Fence Company has a long-established and well-earned reputation for quality among General Contractors, Government Agencies, developers, utilities, businesses, and homeowners. We stay up to date on the latest industry innovations with the goal of exceeding your expectations, ensuring that your fencing needs are not only met, but surpassed.

Differentiators

- Anvil Fence Company is Idaho's oldest Fence and Gate Contractor.
- We are locally owned and managed since 1961.
- Our well-trained, experienced installers are direct employees; we don't use Subcontractors to install your fences and gates.
- We stand behind and warranty all of our installations.
- Our excellent vendor relationships help ensure we offer the most competitive pricing on every project we complete.

Core Competencies

- Chain link fencing and gates, with the options of heavy duty materials, privacy slats, and barbed wire
- High-security fencing
- Gate automation and access control
- All our gate installations are UL 325 and ASTM F2200 compliant
- Wood, vinyl, and ornamental iron/aluminum fencing of all types and styles
- Stained wood fencing
- Agricultural fencing

Certifications & Training

- Certified Gate Automation Technician (CGAT)
- OSHA 10 Certification
- Completion of multiple Official American Fence Association professional education courses
